Sue Hoffman, Show Secretary, Reno, NV

[www.HEREFORDRENO.com](http://www.HEREFORDRENO.com)

— **Western States Hereford Association** —

*A big thanks to the Reno events center, Nugget and our committee for working through all the additional challenges, this year, and finding ways to make this event happen! It takes guts, perseverance and hard work to survive in the livestock business and clearly in 2020! Some things will look a little different and most things will look the same, as we host the Hereford event in Reno.*

*For over 55 years, volunteers have been dedicating time and energy to the WSHA and our show in Reno. Preserving Western traditions, ranching, cattle projects and most importantly family and friends, are the core of our event. They have spent countless hours, organizing all the aspects of the event, we call Hereford Reno. It's a time-honored tradition for generations of families and we appreciate all participants both new and old.*

*We continue to honor John Ascuaga, the late Willard Wolf and others who've been an inspiration to this event and the Hereford business in the West.! We provide a venue for our adults and our youth to mix, share stories and make new ones. Multi-generations of Reno enthusiasts bring their kids and grandkids to the event and the friendships are evident as you walk through the buildings and hotel lobby.*

*Our schedule is the same as last year with the Junior Show Thursday, bull show, sale social and sale held back to back at the Livestock Events Center on Friday. (Our semen, flushes and advertising auction will be held as part of the sale.) Lastly, the female show will be on Saturday with the silent auction, honoree presentation, scholarships and awards held to wrap up the event at the Nugget hotel and casino.*

*Thanks to everyone who makes this event happen. Outside of our committee and staff, there are many, who roll up their sleeves and make this event happen. Not because they have to, because they want to. It has it's own character and standing, with people all over the country and we appreciate the many participants who make "Hereford Reno" such a special event.*

*Thanks to Michelle Thelen and Sue Hoffman who work tirelessly behind the scenes each year. They do the things, most people don't see, but surely are effected by. Lastly, to Hereford breeders and friends, who have made Hereford Reno one of their favorite weeks of the year!*

*Sincerely,  
Brian Gallagher*

— **Western States Hereford Reno Sale** —

*We've got an exceptional set of genetics to share again this year in Reno. With picks, a flush, a herdsire prospect, breds, heifers, a couple select steers and embryo's-there's something for everyone. Our consignors have dug deep in their herds and are offering an incredible set of genetics for your selection. Don't be shy, Herefords have commanded respect throughout the west, throughout history and we will continue to make a mark on the beef industry.*

*The passing of Lilla Bell, Derral Mosby and Dave Goss, have been a challenge for our Hereford family, however, through their Genetics, Families and friendship-we will honor them with a smile, handshake and a hug, knowing they made a difference.*

*This has been a year of new challenges and we hope that you'll appreciate the extra effort our board and certainly our president, went through to put on this event. We're proud to host the second largest Hereford show in the country and carry on the great tradition of the Western States Hereford Association. The dedication, effort and drive to host this event and carry on the unrelenting spirit of the Hereford family is admirable.*

*We look forward to seeing you in Reno!*

*Sincerely,  
Scott Holt*

**Thanks to F&M Bank and our own  
Corrine Santos for Sale Cattle Preview Sponsorship.**

**F&M BANK**  
FARMERS & MERCHANTS BANK OF CENTRAL CALIFORNIA

# SEMEN DONATIONS

This will be an excellent opportunity to purchase the most cutting-edge Hereford genetics available today. We will be featuring semen and certificates on several National Champions and other powerful performance bulls, both horned and polled. Most semen packages will include three straws and one certificate unless otherwise stated. Shipping costs will be paid by the buyer. A listing of the bulls is included. More may be available at sale time. Contact Steve Lambert at 530-624-5256 for more information.

- Selling the right to IVF flush to the sire of the buyer's choice. This female has been a stand out since birth. 8105 was the Champion Hereford and Reserve Supreme Champion Female at the 2020 Idaho Beef Expo, and a Division Winner at the Reno Western States Hereford Show last year. We always said this one would be even better in production, and we were right. She is big-hipped and huge-middled, but her best attributes include her udder quality, mothering ability and structural integrity. Then take a look at this female on paper. She checks all the boxes. Females of this type and kind are the ones that go right to the donor pen after they calve. When we offer opportunities, we like to offer our very best. We have high hopes for what this female will produce. Come see her and her stout bull calf in Reno to get a glimpse of what this female has in store. No matter how you mate this female, we truly feel she will get the job done. If you're wanting to raise females to build a herd around, show heifers, or raise herd bulls, 8105 is your girl! She is open and ready to flush.
- Owned with Harfst Ranch. Seller's guarantee a minimum of 6 embryos, buyer and sellers will split all embryos over 8.

- Loaded pedigree out of Black Hawk Down and last year's Oregon State Fair Champion, FBF Ginger, who is a daughter of one of the breeds most prolific cows, Remetee 213. Flawless phenotype, we think in the end he could be one of the best we have ever produced. We know this Reno sale has not recently been great for bulls, but we feel Club Soda is unique and special he deserves more eyes on him than just selling off the farm.

- 913 is a red eyed, red necked, freckle faced heifer with a unique pedigree and an impeccable set of EPDs. This heifer is in the top 10% of the breed for maternal traits and indexes. She is in the top 20% for growth EPDs.
- The bottom side of the pedigree is no stranger to the show ring. Her dam was a popular bred-and-owned class winner at the 2018 Hereford Reno.
- Pasture exposed to UPS 2296 Sensation 8080, the top selling horned bull at the 2020 Upstream Ranch Bull Sale, and pregnancy checked safe in calf. Due to calve March 10, 2021.

- If one looked up the definition of "powerhouse" in the dictionary, this heifer's picture would be posted! Casino Girl is complete from every angle. She has a long neck that lays neatly into her shoulder and carries back into a bold rib. Wait until you view her from the back – extremely level in her hip and wide at the base. She combines all of these features with being sound structured. This Roll The Dice female combines all of these physical attributes with having a solid set of EPDs. Don't pass her by, she will definitely stand out in a crowd.

- It's hard to part with this one but we wanted to offer our very best. Here's a Cobain daughter with the added shape, dimension and eye appeal to compete in the show ring. Her dam is a young donor with a beautiful udder. Kobie will be a fun one to own. Bid with confidence.
- Seller reserves the right to one flush at seller's expense and buyer's convenience.

- 001 is a Belle Air daughter out of the great Notice Me cow on the bottom side. She has it all –great numbers plus a very attractive phenotype and powerful pedigree. We really should not sell this one, but we like to put a real good one in this sale every year. She is a sweetheart and would make a good show heifer for a junior!

- La Croix comes from the heart of our top cow family and is sired by 2296 who has produced countless champions. She is a stout, soft-middled female that is still neat in her design and extremely sound at the ground. Combined with an excellent disposition we feel this is a big time junior prospect.

- Here you go. We're going to do something we've never done before. We've decided to give you the choice of the very top two heifer calf crop. You decide which one is the best because we can't. These two look-alike granddaughters of Sensation are both out of Catapult daughters making them three-quarter sisters. One is polled and one is horned, and they are both out of first-calf heifers that have done a fantastic job. You take one home and we'll take one home. and in a few years, we can debate over which one of us is the smart cow person.

- This April Heifer is super stout and probably one of the deepest, broodiest heifers we have raised. Yet, she is still very feminine. She puts herself in front where she can be seen thus the name. Juniors, if you are into jackpots, she can stand some competition. She will be fun to watch and see where her show career takes her.
- Tested MD free.

- Wow, if you're looking for a heifer that'll perform for you in and out of the show ring we have one for you! This 2296 daughter has been a stand out from day one. She's got that show ring look with the cow power to back it up. She is sound, good fronted and structurally correct. Her dam has been a key part in our program since we purchased her in this sale from Colyers in 2016. Her half sib was no slouch in the show ring last year, catching many people's eyes and taking home multiple divisions. Don't miss your chance to bring home some of these great genetics!

- We are offering one outstanding heifer. She is sired by our Colyer bull, Cotton, out of a Dam of Distinction cow. A pedigree loaded with milk and growth. Victoria is correct from the ground up. She has a large hip, wide top, long spine, deep-sided, smooth shoulder with a clean and feminine front. Her maternal brother, C SFF 6011 Belmont 01G, was the Western States National Hereford Show Reserve Champion Junior Bull Calf in 2019. This heifer can show and later become a front pasture cow.

- Ms Stormy 31H is a real cattleman's kind of female. This is where overall attractiveness meets real-world production. 31H combines bone, body and muscle mass with elegance and extension. Her dam is an attractive, sure-footed, neat-uddered daughter of Stockman 2059. This heifer is the right fit for both seasoned Hereford breeders and those who are new to the game.
- Tested MD free

- Exciting show heifer and donor prospect in this /S Mandate 66589 ET daughter. Miranda 0293 is short-marked and pigmented and possesses all the phenotype, structure and documentation to take any progressive program to the next level.
- Ranks in the top 5% of the breed for Udder and Teat size, while still maintaining above breed average growth numbers and below average for birth weight.
- Her dam is an own daughter of Mr. Hereford out of one of the most prolific cow families ever produced in the Split Butte program, the Mirada 61N family.

- H200 is backed with a pedigree full of donor cows. Her sire, PCC 3055 49C Ace 7115, is considered to be one of the NJW 79Z Mighty 48C best sons. Her donor dam D410 was rated as the number one pick of all the 2016 heifer calves born at Wooden Shoe Farms. D410 was a many times Champion both as a heifer and a Cow Calf Pair. If you're looking for something to show with a donor potential written all over her pedigree, H200 is that kind!

- A tremendously smooth-constructed female that has a ton of future in and out of the show ring. From the ground up, this one is made right! An extremely sound, big-ribbed individual that maintains that show heifer look up through her front one-third and joined with some width and dimension she will be a highlight on sale day. Sired by Montgomery, coupled by breed greats throughout the bottom side of her pedigree. Her mother had a very successful show career on a national level. We have no reason to expect any less from this great female. Gentle enough for the first time showman. Seller reserves the right to two flushes at the buyer's convenience and seller's expense.

- It is with great pride and excitement that we offer you this high profile mating. We feel this mating is built for today's Hereford genetics demands! Low birth, high growth, phenotype, pigment, carcass value and maternal excellence are all values to be found in this mating.
- Bonissa 2201 is very well balanced from her eye appeal to her performance and, with documentation to back it up, a leading daughter of the renowned Victor 719T.
- The sire of this mating is the ever popular NJW Endure 173D. His progeny have been in great demand and excel in all facets of the industry.
- Bonissa 2201 has been the foundation of our Rocky Ridge Cattle donor program and produced our top two selling females. Bonissa 6356 ET was the high selling open heifer calf in Shaw's 2017 "The Ladies behind the Bull Business" sale to Larson's Running L Ranch in Texas and Bonissa 6412 was the high selling bred heifer in this year's 2018 edition of the same sale going to Mohican West in Montana. Our leading two-year-old female this year is another Bonissa daughter, RRC 936 Bonissa 711 ET, entered our donor lineup in the spring.
- Three (3) conventional embryos and one pregnancy guaranteed if done by certified embryologist.

- 6002 is the three-time 2019 National Champion Cow/Calf pair. Visually she's a big-bodied and as massive as they come. She is quickly proving herself to be our powerhouse donor with her last two calf crops. These two matings being offered are by two of the breed's hottest bulls, SR Dominate 308F and Loewen Genesis G16. These bulls offer unmatched presence, power and excellent genetic values. Take full advantage of the quality that's to come out of these matings.

- Here is a fantastic opportunity to get a set of embryos off of this unique and dynamic mating. What a combination this is, they both have an awesome phenotype and a powerful set of EPDs. 2022Z is the complete package with extra eye appeal and udder quality! She is a granddaughter of the \$175,000 5139R Holden donor cow that has produced almost \$1.5 million in progeny sales. Three of 2022Z's daughters have averaged \$29,500 each. She is a maternal sister to multiple herd sires used at Holden's and across the breed.
- GENESIS also needs no introduction and he has created a lot of excitement across the Hereford breed! This Endure son out of a Loewen Revolution cow has extreme eye appeal, goggle eyes and large scrota! This performance bull is homozygous polled.
- We believe this is a no-miss set of embryos sure to produce foundation donor females and big time herd sires!
- Special thanks to Bramschreiber Herefords.
- Three (3) IVF embryos and one pregnancy guaranteed if done by certified embryologist.

## SALE TERMS & CONDITIONS

### — TERMS AND CONDITIONS —

**Bidding:** Each animal offered for sale will be sold to the highest bidder. Each bid shall constitute an offer to purchase, and the final bid shall constitute a binding contract between buyer and seller. The auctioneer will settle any disputes as to bids, and his decision on such matters shall be final.

**Terms:** Terms of the sale are cash or bankable check (U.S. funds), unless prior arrangements have been made. All settlements are to be made with the clerks of the sale immediately following the conclusion of the sale.

**Announcements:** Any changes from printed information of any kind will be announced from the auction block and such announcements shall take precedence.

**Registration Certificates:** A certificate of registration and transfer will be furnished for each animal at no cost to the buyer.

**Identification:** Seller offers each animal with a readable tattoo corresponding to registration. Buyer agrees to check tattoos for accuracy.

**Handling and Risks:** Each animal will be purchaser's risk as soon as sold.

**Rights and Obligations:** In the event of default in any part of the Terms and Conditions covering the sale by either the buyer or seller, it shall be the responsibility of the buyer or the seller to instigate any action necessary to bring about a fair settlement of any claims arising from this sale and to be responsible for any and all costs involved therein. The sale management assumes no responsibility, legal or otherwise, for the failure of either seller or buyer to fulfill their obligations.

**Risk:** All persons attending the Western National Show and sale do so at their own risk. Neither the sale manager, board members of the Western States Hereford Association or any person involved with the management of the show and sale assumes any liability, legal or otherwise, for any injury or damages.

**Delivery:** Sale management will assist in making delivery arrangements of the sale animals to the new purchaser's destination at the least possible cost. Delivery will not exceed \$500 — per lot to a central location within the continental United States if arrangements are made by the sale manager. All such deliveries will be at the buyer's risk.

**Livestock Mortality Insurance:** Insurance will be available from StarNet Insurance, James F. Bessler Agency.

#### **Health and Guarantees:**

1. All bulls will be tested for Brucellosis, Trichomoniasis and appropriate health papers will be available for immediate shipment. All females are officially Brucellosis vaccinated. Cattle selling to any area that requires additional testing will have to complete tests prior to shipment.
2. All bulls born prior to Dec. 1, 2018 have passed a semen evaluation by an accredited veterinarian. These results will accompany the bull's health papers. Bulls born on or after Dec. 1, 2018 will be sold with a breeding guarantee.
3. All females selling safe in calf will have been tested within 30 days by an accredited veterinarian, and a statement of proof will accompany the health papers.
